Grandmother sues after false facial recognition leads to bank theft accusation

2 posts across r/news, r/technology

A grandmother was jailed for six months after a facial recognition system incorrectly matched her to a bank theft; she is now suing for \$10 million.

- Grandmother falsely accused of bank theft after alleged AI facial recognition match sues for \$10M
- Grandmother jailed for six months after facial recognition mistake launches \$10 million lawsuit against Fargo and detective

Flock camera company hit by data breach, protests, and employee exodus

4 posts across r/technology

Hackers obtained encryption keys from a stolen Flock camera and extracted over 27,000 clips and 1.6 million images. A woman was arrested for speaking against Flock at a city council meeting, while employees became demoralized and were offered buyouts as customers left.

- People hate Flock so much its employees are now demoralized and thinking of quitting
- Hackers find encryption keys stored on stolen Flock camera despite company's denials– group extracts more than 27,000 clips, 1.6 million images captured in a span of 21 days from the device
- Woman Arrested, Dragged Away After Quietly Speaking About Flock at City Council Meeting
- Flock Offers Employees Buyouts as Customers Flee

Trump bans CNN, Politico, and MS NOW from White House

2 posts across r/news

Trump announced a ban on several news networks from White House access, prompting those networks to suspend their pool coverage of him.

- Trump says he's banning MS NOW, CNN and Politico from White House
- Networks Suspend Pool Coverage of Trump After White House Bans CNN (Gift Article)

ICE officer shoots man in Austin without bodycam

2 posts across r/news

An ICE officer shot a man in Austin, who remains detained with a bullet in his back; the officer had been issued a body camera but was not wearing it during the incident.

- Man shot by ICE officer is detained in Texas with a bullet still in his back, attorney's office says
- ICE officer who shot man in Austin was issued a body cam but wasn't wearing it

Mourinho prints fouls to highlight refereeing decisions after Madrid derby

2 posts across r/soccer

After Real's loss, Mourinho held up a sheet listing two Atletico Madrid fouls that should have been red cards, criticizing the referees.

- Jose Mourinho with a print out of two fouls at the press conference after the Madrid derby
- Jose Mourinho brings out a printed page showing the two Atletico Madrid fouls not given as red cards after Real's defeat: "We could just save ourselves the time because the story of the match is right here."
